

Unsplash License & Usage Notice

This mockup contains imagery sourced from Unsplash (<https://unsplash.com>), used in accordance with the Unsplash License as of the date of this document's creation.

Summary of Unsplash License:

- All photos can be downloaded and used for free for commercial and non-commercial purposes.
- No permission is needed (though attribution is appreciated).
- Photos can be modified, edited, and incorporated into creative works.
- You may not sell or redistribute the photos as standalone files without significant modification.
- You may not imply endorsement by the photographer or Unsplash.
- You are responsible for ensuring no identifiable people or trademarks are used in a way that infringes on rights without appropriate releases.

Attribution:

This work includes photography by the original photographer as listed on Unsplash. Photography credit is provided as: "Photo by [Photographer Name] on Unsplash".

Disclaimer:

This document is provided for informational purposes only and does not constitute legal advice. The creator of this mockup has made reasonable efforts to comply with the Unsplash License. For the most up-to-date license terms, please visit: <https://unsplash.com/license>
